Dear Sir/Madam,

We are writing this letter of support for the Kelowna Citizens for a New Performing Arts Centre Society. A larger theatre with more seating and larger lobby and front of house space is definitely needed.

We believe that this project will create some remarkable changes in Kelowna's artistic landscape and will benefit the entire community.

We deeply support the efforts of the Society to seek funding to support this endeavour.

Sincerely,

A handwritten signature in black ink, appearing to read "Randy Leslie".

Randy Leslie
Artistic Managing Director
